Customer for over 12 years

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I think I'm paying too much for the service I'm already paying for. I don't use the water to cook any more period! If I leave the cloths in the washer too long before drying they have a horrible stagnate smell and have to be rewashed. I think the service from the company already sucks so having to pay for for the horrible service makes me want to move somewhere else.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***

sure.
